Seek Wisdom!

One of my favorite songs has always been "Our God is Alive." Christians understand how true it is that we have a living God and that He is mighty and marvelous. Some may deem it presumptuous for finite human beings to claim to be able to know the infinite God. Zophar the Naamethite rebuked Job thus: *"Can you discover the depths of God? Can you discover the limits of the Almighty? They are high as the heavens, what can you do? Deeper than Sheol, what can you know?"* (Job 11:7-8).

There is certainly some truth to this. Because he is infinite and transcendent, God would forever be beyond our ability to discover him and to know him if he chose to keep himself hidden from us. But this has never been his purpose; God wants us to know him, thus he has revealed himself to us. Though we will never have a complete knowledge of God, we can indeed have true knowledge of Him thanks to His own gracious initiative. As Isaiah 11:9 says, *"For the earth will be full of the knowledge of the Lord as the waters cover the sea."*

God makes himself know to us in several ways of which one way is through revelation. This revelation comes to all human beings in a few ways. One way is the created world around us testifies to the power and glory of the Creator. *"The heavens are telling of the glory of God; and their expanse is declaring the work of His hands"* (Ps. 19:1). Paul and Barnabas declared to the idolaters at Lystra that they should have known the true God, because *"He did not leave Himself without witness, in that He did good and gave you rains from heaven and fruitful seasons, satisfying your hearts with food and gladness"* (Acts 14:17). In Roman 1:19-20 Paul declares that even pagans must answer to the true God, *"because that which is known about God is evident within them; for God made it evident to them. For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse."*

The result of this general revelation is that all normal adults have a true knowledge of God as Creator, Ruler, and Lawgiver, and a true knowledge of his basic will for his human creatures. To deny God and flout his law in the face of general revelation is an act of will, a suppression of known truth (Rom. 1:18-32). Let us continue to study the word of God to gain the true knowledge that He has for us.

Psalm 19: Can I Buy Your Bible?

Just how many Bibles have been printed since Gutenberg invented the printing press? The number is staggering. Over 5,000,000,000 Bibles have been printed. To appreciate this number, consider that the world's population is fast approaching 7,800,000,000. So, could I buy your Bible?

The stipulation in the purchase would be that you would never again have a Bible—it would in no way ever influence your life again. Let me ask you ask again, how much would you sell your Bible for?

You know the beginning of Psalm 19 states that the heavens declare the glory of God, but it does not stop there. The second half of the psalm shows how, that without a Bible, there is no way anyone would ever know His will for us

The Bible is described as being perfect, sure, right, pure, clean, desired, more valuable than the finest gold, sweeter than honey, warning about evil, giving great reward, keeping us from error, understanding error, cleansing us from secret sin and keeping us from presumptuous sin. Before answering my question, read the second half of this psalm to see what you would be losing if you sold me your Bible.
