Welcome to Our Worship

Sunday Morning Message: Breakfast with Jesus
Sunday Evening Message: These Were Faithful

Why Your Family Needs to Be in Worship

It is important for family to worship together. The God who created each and ordained marriage and the family knew the importance of families worshiping together. To a woman who had miserably failed in her family life, Jesus said, "But the hour cometh, and now is, when the true worshipers shall worship the Father in spirit and truth: for the Father seeketh such to worship Him" (John 4:25).

The Father does not need our worship to be a better being or a better father. One cannot improve on perfection, but the Father knew the need for each of us to worship. The old adage, "A family that prays together stays together, " is true. One just does not find those in the divorce courts that are truly committed and serving God.

Families should worship for three major reasons: (1) God commanded it (Heb. 10:25); (2) for the influence that we exert on one another; and (3) it will enhance our spiritual life (Rom. 12:1-2).

No family can be completely balanced when there is a major spoke left out of their wheel. Families are to grow physically, intellectually, socially, and spiritually. The family that does not worship is missing at least a quarter of this designed growth.

What is a major blessing each can offer their family? Here is a simple, yet life-changing answer: Begin this week to worship God by taking your family to every worship service!
