School Supplies For Kanawha Elementary School

We have finally obtained the dates and the needs from the local elementary school. Thank You all for your support so far in this endeavor. The goal of this project is to help the children and families in the community and be able to meet them and get their information for future events. The Wood County School System will provide most of the needs for the students. The children are in need of backpacks and water bottles. We will fill the backpacks with school supplies that our members have already provided. The supplies that we need to concentrate on are backpacks and water bottles.

We will need some cookies or some type of snacks on our give away date. There will be a list on bulletin board for snacks. We will also need some people to work the event. This will include distributing everything, meeting the people and recording their name and address. We look forward to a great turnout. If you know children that go to this school please spread the word. We also need to put up some signs for advertisement.

Your Faith Tank Full?

Take a second and ask yourself, if I called on my faith right now would my faith be strong enough for my needs?

How can we measure our faith? “The measure of faith” that is developed and strengthened in us comes from one place which is “the Word of God”. Romans 10:17 tells us, “Faith cometh by hearing, and hearing by the word of God”

So is it a fair question, if we don't come to church services or if we don't hear much of the word of God. What about if we don't read much of God's word. The reality is our chance of having the faith we need will be very limited when we need it?

Would you go on a trip in your car and not be prepared? Would you go on a trip and have nothing in the fuel tank. Ok try it and see how far you go.

When we know it's not “if” it's “when” we will need strong faith. Will our faith tank be full?

For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith.” –Romans 12:3,

Please make sure you top off your Faith Tank every day!
