## Our Prayer

We live in a world that seems to have a great deal of distrust, disappointment, and differences. Because we live in a world of sin people will always have major differences. Seasons change over time but many of the differences stay the same. The Godly person looks for peace, righteousness, holiness and the love that comes from God. As Christians we need to look for the good things in life. It is so easy to find the negative and that is what Satan would want.

David writes, Psalm 4:4-5 (NASB) <sup>4</sup>“Tremble, and do not sin; Meditate in your heart upon your bed, and be still. Selah. <sup>5</sup>Offer the sacrifices of righteousness, And trust in the LORD.” Amazingly, the writer now turns to special requests for the enemies themselves. Righteous prayers should include petitions for others, even for those who are against us. He asks that his opposers might think of God’s wrath upon the wicked and His goodness to the righteous and be constrained by such meditation to “tremble” in humiliation and reverence before Him. Reflection leads to reverence, and reverence should bring reformation.

His prayer is a model prayer for us when we must pray for our enemies. As Jesus prayed for those who crucified Him (Lk. 23:34), and as Stephen prayed for his persecutors (Acts 7:60), this Psalm offers up a nighttime prayer for those who seek his harm. His prayer for them is that they worship God and “not sin.”

Instead of us getting angry when people seem to have ungodly points of view, we need to pray for them. We need to pray for people to change their hearts and open them up to the Word of God. We need to meditate in our hearts about the love of God. May God help us to be peacemakers in a world that needs the peace and love of God.
