Let's Get Ready!

With Spring in full bloom, the grass and flowers and trees are letting us know that things are about to get very busy! With growing grass comes yard work. Flower beds need cleaned out and new flowers need planted . It's nearly time to plant gardens. Sports teams are forming and practice is starting. School projects are due. Vacations are coming just around the corner!

If all that isn't enough to make you feel like you're already behind, there are several events planned concerning Sunrise . We are planning to set up a booth at the "Summer Showcase " this year at the Wood County 4-H Camp. This is part of the Habanero program from Home missions that we started last fall. We will be asking Bible Trivia questions, and handing out information about our congregation. Please plan to volunteer some time to help out with this . This will be going on July 15th-19th.

Sunrise is scheduled to host the Friday Night Sing on September 5th this year. Let's make this year one of our best in both attendance and refreshments.

September the 26th and 27th is the dates for our 5th annual youth rally. We are very fortunate to have Lonnie Jones scheduled to speak again this year. Very soon we will be listing jobs that need to be done to make this youth rally a success. There is a lot of preparation and cleanup work to be done, besides the work while the rally is going on. We are so blessed to be able to host an event like this!

Besides these events that are already scheduled, we have discussed a Friends and Family Day, as well as a Fall Festival. We will likely host a Back to School Backpack program as we did last year.

Summer and Fall are always busy and finding time for more events can sometimes be challenging. God blesses us with 24 hours each day, 7 days each week, and 365 days in the year. Let's make sure we use them wisely and also use them to glorify God as we work in His kingdom!
