What We Know…

We often think about or wonder about things we have no way of knowing. People fall into endless discussions about what could be or what we imagine something to be.

If a catastrophic weather event covered my home and all my possessions under a thick layer of mud, I wonder what someone may say about my things in a few hundred years. I have several things that are currently over 100 years old in my possession. Would they think I was using both a hit- and miss engine and a modern diesel engine?

The truth is nobody needs to know any of that to survive a few hundred years from now. Likewise, we don't need to know what God hasn't revealed to us, only what He has revealed to secure our salvation. That has been laid out plainly in the scriptures. There can be no mistaking God's plan of salvation if we spend time in His word. He who has My commandments and keeps them, it is he who loves Me. And he who loves Me will be loved by My Father, and I will love him and manifest Myself to him." John 14:21. He who believes and is baptized will be saved; but he who does not believe will be condemned. Mark 16:16. We should focus our energy on what God has given us, not what He has kept to himself.
